To

The Commissioner of Police,

Panchkula.

CC- Deputy Commissioner/ District Magistrate.

**Sub: Complaint against Unknown persons for Illegal Encroachment,
Illegal mining being done on lands belonging to Golden Forests India
Limited in villages Kot, Billa & Jaswantgarh.**

Respected Sir,

I write to you to bring an alarming situation in your notice. My company Golden Forests India Limited, owns around 250 acres of land in the villages of Kot, Billa & Jaswantgarh, Tehsil Panchkula, District Panchkula. The case of the company is pending in the Hon'ble Supreme Court of India since 2004. The Hon'ble Supreme Court has passed strict orders regarding the properties of the company (copies of both orders attached). In its order dater 05-09-2006 the Hon'ble Supreme Court of India said **"The civil as well police authorities are also directed to take action against the illegal encroachments and construction adjoining the resort at Billa. Revenue authorities of the respective states are also directed to help in removal of such illegal encroachments."** (copy of order attached).

Sir, I along with some of my staff and friends visited the land in question on 26th Jan, 2024 and found out that illegal encroachments and mining was happening on the company lands at an industrial scale. Several diggers (JCB machines) and multiple trucks and tractor-trolleys were deployed at the spot and are working day and night. At some places these machines have dug 30 feet deep and have taken earth, sand & resource from the company lands. The employees of the mafia tried to stop us from entering the area and from

taking photos of the mining. We were threatened with dire consequences and were told to stay away from the area, also we were told that the persons doing the mining are incredibly powerful and can cause serious issues for us.

This vast industrial scale operation is being done in broad daylight and in complete defiance of the law and violating the orders of the Hon'ble Supreme Court of India.

I request you to kindly bring this illegal operation to a complete stop and kindly ensure that strict action is taken against all those involved in this. I request that the concerned officer be asked to register an F.I.R and proceed with the course of law.

Thanking you,

Regards

Nikhil Kant Syal.

Ref. No. 1

Dated: 27/1

It is made clear that I, Salim Dabkouri, Municipal Corporator of Ward No. 20, Nagar Nigam Panchkula, have served as a councillor for the past 10 years. In my ward, there are approximately 18-20 villages, including Ghot, Dabkhari, Billa, etc. Recently, there has been ongoing mining and illegal construction/development activities in the area. Specifically, a company named M/s Krishna Gravels has been conducting mining operations on the land owned by private entities such as Golden Forest, Alchemist Group, Pearl Group, local landowners, and Nagar Nigam. This mining has resulted in the excavation of land up to approximately 80 feet, posing a severe threat to the safety of the entire region. Despite repeated complaints to the authorities, no action has been taken. This report is submitted for your consideration and action.
